[The 6th Annual Lifting Up Westchester Student Essay Contest](#) is open to all Westchester students in grades 7 through 12. The topic this year is: "The Importance of Good Mental Health". Submissions must be made between November 3, 2022, and February 17, 2023. Winners will be announced March 13, 2023.

Following is some information about the essays:

- The essays must be between 750 and 1000 words.
- Essays should address the effects of mental health, whether good or poor, upon the choices we make, our relationships, our families, our education, our daily lives, and our futures.
- Particular emphasis should be given to the mental health challenges that homeless individuals face.

- We encourage essayists to include a lyric, a stanza from a poem, or a quote from a book that is relevant to mental health or related issues. While this will not be included in the overall word count, it will add significantly to the student's essay.
- Prizes will be awarded in three grade categories: 7-8, 9-10, and 11-12 and in a category created specifically for ESL students.
