The Harrison High School Counseling Office is taking a field trip to Marist College in Poughkeepsie, NY. The field trip will take place on Thursday, March 2, 2023. We will leave at the beginning of the school day and return before the end of the school day. There is no cost for this field trip. The HEF has generously sponsored bus transportation and Marist College is providing lunch for all participating students. Students will receive a tour of campus and participate in two separate workshops: "Student Life at Marist College" and "Wellness in College". This is a wonderful opportunity to see a college campus and learn about college life.

If you would like to attend this field trip, please stop by the School Counseling Office to pick one up. Permission slips must be signed by your guardian and are due back in the School Counseling Office no later than Friday, February 17, 2023. Spots for this field trip will be filled on a first-come, first-served basis. Please see your school counselor if you have any questions about this trip. We hope to see you there!
